WHEN YOU GET THE BUY IN!

- CTE Snapshot of Walker High School
- Example of positive effect of "School Buy-In"
- Increase student opportunity
- School "culture" changes
- Decrease student drop out
- Decrease discipline

- Increase in school performance scores
  - 2015 Cohort LPPS 1146/1360 students graduated with 110 or higher

Key to Smart Spending

- Communication
- Have a plan (short term & long term)
  - Know what schools want and need – Mini Grant Form
- Knowledge of the guidelines for each funding source
- Include all stakeholders: business, district staff, school administration, instructors & staff

Career Development Fund (CDF)
6% Adder ($238)

Increase Student access to High Value CTE Courses

- Teacher Training for Jump Start Credentials
- Facilities, Materials, Equipment related to JS Credentials
- Credentialing Exams Cost
- Transportation
- CDF Qualifying Courses – List changes every school year based on the trends in the Louisiana economy and the dedication to fund CTE programs that are not yet available to sufficient numbers of Louisiana students.

Star Rating	Occupational Title
★★★★★	Electricians

Supplemental Course Allocation (SCA)

- Intended to focus on CTE courses, academic work towards TOPS, advanced courses not offered at the school, dual enrollment or remediation.
- $26 per student in grades 7th-12th / 2016-17 Legislature approved an additional $9 per student
- All SCA funds are regulated through the Central Office
- Our Focus – ACT Prep, CTE, and Remediation Software

TOPS Tech Early Start

- $600 per academic year / up to 6 hours per semester
- Articulation agreements
- Dual enroll students using your own instructors
- Good for students / good for the Technical Colleges

Perkins

- Funding directed to three Programs of Study as determined by regional demands
- One selected by the district
- Teacher training and professional development at all levels
- Innovation targeting special populations

Local Funding

- Market your programs
- Celebrate program success!
- Keep your board members up to date on your programs.
- Use when other sources are not eligible

Partnerships

- Chamber of Commerce – Education Committee, Leadership Livingston, Leads for Lunches
- Livingston Economic Development Council (LEDC)
- Regional Industry (large & small)
- Post Secondary Partners
- Program Instructors
- Return on Investment

MAKE The Experience REAL!!!

JUMP START

Jump Start is Louisiana's new Career and Technical Education program.

Through Jump Start students earn industry credentials while still in high school.

Jump Start students graduate high school prepared to secure a high-wage job ***and*** attend a technical or community college.
