

## 2023-2024 The New Teacher Experience: Support

The New Teacher Experience is a comprehensive induction program that offers multiple services designed to increase teacher effectiveness, enhance skills, and reduce attrition among beginning teachers. The New Teacher Experience provides both direct supports to teachers and system supports to improve student achievement by improving beginning teacher effectiveness and teacher retention.

The supports below are intended to assist Louisiana school systems in the development, implementation, and expansion of a successful new teacher induction program. All schools/school systems are invited and encouraged to participate in The New Teacher Experience.
