Update from the ECCE Advisory Council Ad Hoc Funding Workgroup

Workgroup to Study the Coordinated Enrollment Processes

ECCE Advisory Council Coordinated Enrollment Workgroup

From Bulletin 140, *Louisiana Early Childhood Care and Education Network*:

"Prior to the start of the 2016-2017 school year, BESE shall review this Chapter and revise as necessary based on learnings from the 2015-2016 learning year. A work group of the Early Childhood Care and Education Advisory Council shall be formed to study the effectiveness of the coordinated enrollment process conducted in the learning year and make recommendations to the council and BESE for changes for implementation in 2016-2017. This research should include, but not be limited to, conducting focus groups of all provider types, reviewing data on the placement of new early childhood seats opened statewide, and reviewing other available information."
