

## Training Event

The Louisiana State Personnel Development Grant (LaSPDG) is hosting a professional development event on June 16, 2014 in Baton Rouge. The details of the event are listed below:

### **Professional Learning Communities (PLCs) at Work**

**Presented by Jack Baldermann, Solution Tree**

Goal: The focus of the PLCs Overview Workshop will be on improving student learning and achievement. This workshop will provide an overview of the PLC principles and the implementation process.

Participants will receive:

- Practical and proven tools that school leaders can implement to support principals and teachers in the PLC process.
- Templates, rubrics, research, readings, step by step proven examples, checklists and other resources that will help them lead others through the PLC process.
- Strategies on how to focus data teams on student learning growth through the use of clearly defined targets and formative assessment that chart student learning.

Objectives:

- (1) Increase knowledge of PLC principles.
- (2) Increase skills on how to implement PLCs.
- (3) Identify resources to support the implementation of PLCs.

Target Audience: A team of 3-5 participants (including an administrator)

Expectation: After attending professional development training, the participants will redeliver and share information with district and school staff.
