

FLAME Parent Report Grade 6 Unit 1

To the Parent of _____

This chart is to update you on _____'s current performance in math. It includes a description of the state math standards addressed in this unit. Please review your child's performance using the **performance summary key** below. Please keep in mind that some standards are listed in multiple quarters because the expectation looks different at different points in the school year. Please reach out to your child's teacher if you have any questions or concerns. There are activities at the end of this report that you can use to continue to support your child at home.

Performance Summary Key

| | |
|--------------------|---|
| Beginning | Student's performance demonstrates that they are beginning to understand the standard. |
| Progressing | Student's performance demonstrates they are progressing toward understanding the standard. |
| Consistent | Student's performance demonstrates they are showing consistent understanding of the standard |

| Description of Standard | Beginning | Progressing | Consistent |
|--|--------------------------|--------------------------|--------------------------|
| Simplify ratios to determine if the ratios have the same value. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Write ratios from physical representations (bananas to oranges). | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Use strategies (Tape Diagrams, ratio tables, etc) to solve real-world problems involving ratios. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Determine if two rates are the same. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Find the unit rates (price per pound) given. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Compare ratios to determine which is the buy. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Find unit rates (miles per hour) to solve real-world problems. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Calculate percentages using ratios. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Convert measurements by dividing and multiplying quantities. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

See the [Louisiana Department of Education Family Math Engagement Library](#) for ideas on how to support your child in math at home.
