

## Zearn Support for Middle School Leaders

In an effort to support leaders with Zearn implementation during the 2023-2024 school year, the Department has partnered with Zearn to provide a monthly professional learning on topics to support Zearn implementation. The sessions will provide a space for middle school leaders to learn together and collaborate. Leaders can gather each month to discuss more about a pertinent implementation topic and then have time to ask questions, problem solve, and celebrate their progress. If you are interested in support for implementing Zearn alongside your adopted curriculum, please fill out this [interest form](#).
