

School systems may request funds from this approved list of **student planning partners** to support IGP updates for high school students or college and career transitions for graduated seniors. This guide summarizes the services each student planning partner can provide. Providers range in cost from free \$, low overall cost or per student rate and/or limited services \$\$, or higher investment in cost per school structure and/or range of services \$\$\$.

[Individual graduation planning](#) starts in the eighth grade and continues throughout every student’s high school career. Individual graduation plans should be updated annually and signed by the student, a parent or guardian, and the school counselor.

[Postsecondary Planning](#) includes supporting students as they apply for college and explore funding opportunities (scholarships and grants).

[Career Supports for Students Transitioning to the Workforce](#) lists partners who can further support students in exploring options once they graduate and move into the workforce.

IGP Planning Partners

[AVID \(Advancement Via Individual Determination\)](#)

IGP-related services: professional learning, curriculum resources/templates, face-to-face and virtual support for schools from the AVID program manager and team

Contacts: Barbara Copeland, Southern Area Director, bcopeland@avid.org; Dr. Mike Mozingo, Associate Southern Area Director, mmozingo@avid.org; Marybeth Hines, Partner Engagement Manager, mhines@avid.org; AVIDCare@avid.org

Description: AVID provides resources, strategies, professional learning, and access to rigorous teaching and learning that empowers students with rigorous academic preparedness, opportunity knowledge, and student agency. Professional learning options include a variety of face-to-face and virtual training events that focus on college and career readiness skills such as organizing time and materials, advancing college preparedness, building career knowledge, and promoting financial literacy. Professional learning, curriculum resources/templates, family workshops, and face-to-face and virtual support for schools from the AVID program manager and team equip educators with strategies and activities to support students in creating quality IGPs.
