Achievement Level Definitions

Achievement Level Definitions briefly describe the expectations for student performance at each of Louisiana’s four achievement levels. The achievement levels are part of Louisiana’s cohesive assessment system and indicate a student’s ability to demonstrate proficiency on the Louisiana Connectors for Students with Significant Cognitive Disabilities.

- **Below Goal:** A student who performs at **below goal** level demonstrates a **minimal** understanding of key academic knowledge and skills in the Louisiana Connectors for Students with Significant Cognitive Disabilities when presented with **low complexity texts or tasks** and **will need substantial academic scaffolds and supports** as the student transitions to the next grade/course and progresses toward inclusive college, career, and community opportunities.

- **Near Goal:** A student who performs at **near goal** level demonstrates a **partial** understanding of key academic knowledge and skills in the Louisiana Connectors for Students with Significant Cognitive Disabilities when presented with **low and moderate complexity texts or tasks** and **will need moderate academic scaffolds and supports** as the student transitions to the next grade/course and progresses toward inclusive college, career, and community opportunities.
- **At Goal:** A student who performs at **at goal** level demonstrates a **satisfactory** understanding of key knowledge and skills in the Louisiana Connectors for Students with Significant Cognitive Disabilities when presented with **moderate and high complexity texts or tasks** and **may need minimal academic scaffolds and supports** as the student transitions to the next grade/course and progresses toward inclusive college, career, and community opportunities.
- **Above Goal:** A student who performs at **above goal** level demonstrates a **thorough** understanding of key knowledge and skills in the Louisiana Connectors for Students with Significant Cognitive Disabilities when presented with **high complexity texts or tasks** and **will need few academic scaffolds and supports** as the student transitions to the next grade/course and progresses toward inclusive college, career, and community opportunities.

LEAP Connect ELA Achievement Level Descriptors (ALDs)

LEAP Connect scale scores are used to assign a student’s achievement in science in one of four levels. Achievement Level Descriptors (ALDs) for science further describe the knowledge, skills, and abilities that students generally demonstrate at each performance level. ALDs for ELA grades 3-8 and high school are provided in the following tables.

Task Complexity Descriptions

- **Low text complexity:** brief text with straightforward ideas and relationships; short, simple sentences
- **Moderate text complexity:** text with clear, complex ideas and relationships and simple, compound sentences
- **High text complexity:** text with detailed and implied complex ideas and relationships; a variety of sentence types including phrases and transition words
