Pre-K Program
Eligibility

Pre-K Program Eligibility

Definition of “Economically Disadvantaged”

Children in Louisiana are eligible for public pre-K programs if they live at or below 200% of the Federal Poverty Level, are in foster care, and/or are experiencing homelessness.

- Children in families with incomes at or below 200% of the Federal Poverty Level are considered “economically disadvantaged” and are therefore eligible for one of Louisiana’s pre-K programs.
- Children in foster care and children experiencing homelessness are categorically eligible for publicly-funded seats.
- Children with special needs and children whose home language is not English may be eligible to receive services but must still qualify to participate in publicly-funded programs. These children may be able to be served through other funding sources such as Title I, 8(g), and IDEA.

Pre-K Program Eligibility

Important Eligibility Reminders

The only determinants of eligibility for pre-K are income and age.

- LEAs/sites should not deem a child ineligible for a pre-K seat for reasons other than income and age. This includes medical issues (including toilet training), guardianship, clothing, transportation, religion, ethnicity, cultural practices, and/or language barriers.
- Should an LEA/site consider it necessary to prevent a child from enrolling or consider disenrolling a child for any reason, they must communicate with the child's guardian what service limitations they may face, e.g. due to medical issues or language barriers, explain to the child's guardian what the site's plan is for supporting this child to receive educational services, and, in collaboration with the family, document in writing how the site will best meet the child's needs.

Translating Income into a Monthly Figure

<u>Monthly Income Calculation Table</u>	
Pay Period	Formula
Paid hourly	(Hourly wage x 40 hours per week) x 4.33
Paid monthly, <i>same gross pay each month</i>	Use gross salary
Paid same gross amount exactly 2 times per month (<i>e.g., 1st and 15th of month</i>)	Gross salary x 2
Paid same gross amount every 2 weeks (<i>e.g., every other Friday</i>)	(Gross salary / 2) x 4.33
Paid weekly	Gross salary x 4.33

Calculating Monthly Income

- ✓ Income is most consistently and accurately calculated using the HOURLY RATE formula.
- ✓ Gross income must be calculated using a 40-hour week.

Example: If Mrs. Smith provides a check stub showing an hourly rate of \$25, you will calculate it as $(\$25 \times 40) \times 4.33$. Mrs. Smith's monthly income is \$4,330. She is a single mom and has one child, (family size of 2), therefore she would NOT be eligible.

- ✓ If the parent/guardian claims that they do not work 40 hours per week, they will need to get a letter from their employer indicating how many hours they regularly work. You may then recalculate their income based on that amount.

Example: You receive a letter which shows Mrs. Smith only works 20 hours per week. You may calculate her income as $(\$25 \times 20) \times 4.33$ which equals \$2,165 which makes her child eligible.

Alternatives to Direct Match SNAP Benefits

Families on SNAP are categorically eligible. Documentation must include child's name and effective dates. There are several different forms for this.

- The *SNAP Change/Closure* letter sent from DCFS. This letter will include an expiration date on the first page and a full listing of household members on the following pages.
- The *CAFÉ Case Detail* report will include current certification dates as well as a list of included family members. This report is available via the CAFÉ portal and can be accessed on most smartphones.

The Louisiana Purchase card is not accepted as valid proof that the family is a SNAP participant.

Unallowable Proof of Income

The following list includes items that **ARE NOT** allowable for income verification:

- ❑ W-2 or 1099 forms OR tax returns as a *primary* source. These may only be used if no other form of income documentation exists.
- ❑ Medicaid Documentation
- ❑ Child Support as an independent source (UNLESS it is the sole source of income AND is court ordered. MUST provide court documents as well as a letter stating that no other income is received).
