Session Overview

Session Purpose and Objectives

Purpose: The purpose of this session is to update early childhood educators with all information needed to be successful in utilizing the newly updated Early Learning and Development Standards (ELDS) to ensure child success in all aspects related to ECE systems where applicable.

Objectives: During this session, participants will:

- leave with a clear understanding of how to utilize the Early Learning and Development Standards.
- leave with tangible knowledge to be able to successfully utilize the ELDS daily practices with young children.
- leave with specific knowledge related to important changes and updates to ensure maximum understanding of the new ELDS.

Welcome Activity

Welcome Activity

Emergent Literacy Mix-Pair-Share

- Everyone will “mix” around the room.
- I will call “Pair!”
- You will pair up with one person closest to you.
- I will give you a question and think time.
- When time is up, be ready to share!

Welcome Activity Question

Share:
How have you utilized the
ELDS in your ECE role?

The Importance of Early Learning and Development Standards (ELDS)

The Importance of Early Learning and Development Standards (ELDS)

Before we begin, let's ground our thinking in the "why." Why are the ELDS important to the work we do with children every day?

- Alignment to developmental milestones
- Correlation to Early Childhood assessment
- Guideposts for child learning and development
- Aid in decision making
- Help foster quality instruction and practice

The Importance of Early Learning and Development Standards (ELDS)

Looking deeper, the Early Learning and Development Standards (ELDS) support Louisiana's effort in the expectation that early childhood programs promote Kindergarten readiness. The ELDS support this expectation by:

- providing a continuum of developmental milestones for each age level.
- aligning to Tier I curriculum options and state assessment, Teaching Strategies GOLD[®], measures.
- being a source to be used as a daily reference and resource for those that care for Louisiana's youngest learners.

What's new?

2024 ELDS Updated Iconography

Through the LDOE branding process, the 2024 ELDS were given a new look to match the updated Louisiana Department of Education colors and overall theme.

New iconography was created for each domain and subdomain of the 2024 ELDS with updated colors and an overall modernized look.

2024 ELDS Updated Identifiers

The 2024 ELDS have slightly updated ELDS identifiers. For example:

- The age of the child will now come at the end of the identifier.

Later in this presentation we will break this down and look closely at how the standards and indicators are named and identified.

2024 ELDS Changes to Consider

2024 ELDS Identifiers

Each of the 2024 ELDS have abbreviations that are used when naming each domain/subdomain. The important abbreviations to remember are as follows:

 <p>LANGUAGE & EARLY LITERACY DEVELOPMENT</p> <p>Language and Early Literacy Development</p> <ul style="list-style-type: none"> • Language Development (LD) • Early Literacy (EL) 	 <p>PHYSICAL DEVELOPMENT</p> <p>Physical Development (PD)</p>	<p>Cognitive Development and General Knowledge</p> <ul style="list-style-type: none"> • Mathematics (CM) • Science (CS) • Social Studies (CSS) • Creative Arts (CCA) <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;">  <p>COGNITIVE DEVELOPMENT & GENERAL KNOWLEDGE</p> </div> <div style="text-align: center;">  <p>CREATIVE ARTS</p> </div> <div style="text-align: center;">  <p>MATH</p> </div> <div style="text-align: center;">  <p>SCIENTIFIC INQUIRY</p> </div> <div style="text-align: center;">  <p>SOCIAL STUDIES</p> </div> </div>

2024 ELDS Identifiers

Each of the 2024 ELDS have **Indicators** that show developmental progression across five age bands. Age is identified in the 2024 ELDS naming convention at the END of each standard with the numbers and correlation below:

- Infants (Birth -11 months) -.0
- Young Toddlers (9 -18 months)-.1
- Older Toddlers (16 -36 months) -.2
- Three-Year-Olds (36 -48 months) -.3
- Four-Year-Olds (48 -60 months) -.4

The age bands stretch across each subdomain of the 2024 ELDS for ease of use.

Physical Development (PD): Gross Motor

Standard	PD 1: Children demonstrate large muscle control and coordination.				
Age	Infants (Birth - 11 months)	Young Toddlers (9 - 18 months)	Older Toddlers (16 - 36 months)	Three-Year-Olds (36 - 48 months)	Four-Year-Olds (48 - 60 months)

2024 ELDS Identifiers

The ELDS Indicators show the developmentally appropriate indication that aligns with the standard for each age band. The indicator number is noted after the standard number.

Shown are Indicators #1 and #2 for Physical Development.

Indicators are identified with a number after each standard number.

Reminder: Age is identified at the END of each identifier and correlates with the age of the child.

Indicators

Where applicable, the indicators stretch across all age bands.

ELDS Identifiers

Now that we've broken down how the 2024 ELDS identifiers play a role in the naming of each standard and its indicators, let's practice locating and identifying some standards and indicators together.

Remember the following: **Domain - Standard - Indicator - Age**

ELDS Identifiers

So putting it altogether, this is Approaches to Learning, Standard 1, Indicator 1, for three-year-olds.

Identifier	AL 1.1.3
------------	-----------------

Approaches to Learning (AL): Initiative and Curiosity

Standard	AL 1: Children engage in multiple and varied play-based experiences.				
Age	Infants (Birth - 11 months)	Young Toddlers (9 - 18 months)	Older Toddlers (16 - 36 months)	Three-Year-Olds (36 - 48 months)	Four-Year-Olds (48 - 60 months)
Indicators AL 1.1	<p>AL 1.1.0 Explore objects, materials, and/or people in their immediate environment using their senses.</p> <p>Interact with materials by manipulating them in a variety of ways (e.g., grasp, mouth, bang).</p>	<p>AL 1.1.1 Explore and interact with familiar objects and materials in the environment.</p> <p>Use everyday objects and toys as intended in their play (e.g., build with blocks, stir with spoons).</p>	<p>AL 1.1.2 Explore both familiar and unfamiliar materials, activities, and experiences.</p> <p>Explore new ways to use familiar objects during play (e.g., hold a banana to the ear and talk into it like a phone).</p>	<p>AL 1.1.3 Explore unfamiliar objects, materials, and experiences.</p> <p>Combine materials in new and unique ways (e.g., put blocks together to create a road for cars).</p>	<p>AL 1.1.4 Seek out and engage with unfamiliar objects, materials, and experiences.</p>

Closing

Today you were provided an update with information needed to be successful in utilizing the newly updated Early Learning and Development Standards (ELDS) to ensure child success in all aspects related to ECE systems, where applicable.

Together we:

- learned about the importance of utilizing the Early Learning and Development Standards (ELDS).
- gained tangible knowledge to be able to successfully utilize the ELDS daily practices with young children.
- elevated specific knowledge related to important changes and updates to ensure maximum understanding of the new ELDS.

The newly updated ELDS will be available on the website via this link.

Thank you!
