

All new/updated information is highlighted throughout this document.

The Jump Start Training Catalog provides a list of professional development and training opportunities available this summer. Please note that it is not comprehensive and will continue to be updated as additional training options are confirmed. School systems can submit training opportunities and/or training requests to [jumpstart@la.gov](mailto:jumpstart@la.gov) for review.

Training registration and associated costs for sessions are handled directly between the registrant(s) and the provider; **not to LDOE**. Carl Perkins and Career Development Funds are eligible funding sources for registration costs.

The catalog includes virtual, in-person, and hybrid training options for many IBCs on the State Focus list. The following IBCs are included:
