

WHAT IS ELA GUIDEBOOKS?

ELA Guidebooks is an English language arts curriculum for whole-class instruction. Made by teachers for teachers, the guidebook units ensure all students can read, understand, and express their understanding of complex, grade-level texts, ensuring their readiness for college or a career.

Each text collection has a shared idea, such as the American Revolution, and contains authentic texts and novels commonly celebrated by teachers and students. Students engage with the texts and ideas repeatedly throughout a unit to build knowledge and tackle big ideas.
