UPDATES FOR FUNDING AND ENROLLMENT

NEW: Child Care Assistance Program 24-Month Certification Period

In an effort to provide continuity of care for children in the CCAP program and to address the large number of new CCAP applications, LDOE will extend CCAP eligibility to 24 months in total.

Pandemic application cases for essential workers will remain at the original 12 month period due to the specific source of funding for these cases. Cases for children already receiving 24 months of service because of their age will not be extended.

Therefore, beginning with July, cases will be extended by 12 months, not to exceed 24 months in total. At the 24 month mark, families will be notified via email that it is time for their redetermination to maintain child care with CCAP, if eligible. Providers are asked to help in notifying CCAP families of their redetermination.

Should there be any questions, please contact the Provider Help Desk at ldeccap@la.gov or by phone at 225-250-7635 or 225-252-9543.

REMINDER: Child Care Criminal Background Check Fees and CCAP Copayments

In response to COVID-19, the Department has been covering Child Care Criminal Background Check (CCCBC) fees and family copayments. Beginning August 1, 2022, these fees will be reinstated as they were

prior to the pandemic.

As a reminder, copayments listed on the "CCAP 12 - Provider Notice of Payment" correspondence are the parent's portion of the State daily rate which is deducted prior to issuance of regular weekly provider payments.

Example: State daily rate for child age birth to 11 months is \$68.00. Parent's co-payment of State rate is \$2.00. State will pay \$66.00/day resulting in a weekly payment to the provider of \$330.00.

This memo contains easy-to-use information to assist you with becoming prepared. The time to prepare is now. We highly encourage you to contact your Parish Office of Homeland Security and Emergency Preparedness now with any question or a review of your plan and get to know your local contact. If an emergency covers a large geographical area such as a parish or region of the state, the LDOE will closely monitor conditions out of concern for your safety and for the safety of the children and families you serve. A staff person shall

- physically walk through the vehicle and inspect all seat surfaces, under all seats, and in all enclosed spaces and recesses of the vehicle interior.
