

EARLY CHILDHOOD NEWSLETTER

August 11, 2022

The start of the new academic year is always an exciting time, and each year we strive to continue to expand and improve the learning opportunities available for our youngest learners. We know that every child can learn and that every child deserves to enter kindergarten ready for success in school and beyond.

We are looking forward to returning to a more stable learning year with the relaxing of COVID restrictions and guidelines. We commend the essential work taking place across Louisiana's communities to unify early childhood systems, implement top-tier curricula, prepare teachers, and improve family engagement. We must continue to focus on moving forward to help our children thrive as learners.

Thank you for your very important role in this work—we look forward to another successful learning year!

UPDATES FOR FUNDING AND ENROLLMENT

REMINDER: Child Care Assistance Program 24-Month Certification Period

In an effort to provide continuity of care for children in the CCAP program and to address the large number of new CCAP applications, LDOE will extend CCAP eligibility to 24 months in total.

Pandemic application cases for essential workers will remain at the original 12 month period due to the specific source of funding for these cases. Cases for children already receiving 24 months of service because of their age will not be extended.

Therefore, beginning in July 2022, cases will be extended by 12 months, not to exceed 24 months in total. At the 24 month mark, families will be notified via email that it is time for their redetermination to maintain child care with CCAP, if eligible. Providers are asked to help in notifying CCAP families of their redetermination.

Should there be any questions, please contact the Provider Help Desk at ldeccap@la.gov or by phone at 225-250-7635 or 225-252-9543.

REMINDER: Child Care Criminal Background Check Fees and CCAP Copayments

In response to COVID-19, the Department has been covering Child Care Criminal Background Check (CCCBC) fees and family copayments. Beginning August 1, 2022, these fees have been reinstated as they were prior to the pandemic.

As a reminder, copayments listed on the “CCAP 12 - Provider Notice of Payment” correspondence are the parent’s portion of the State daily rate which is deducted prior to issuance of regular weekly provider payments.

Example: State daily rate for child age birth to 11 months is \$68.00. Parent's co-payment of State rate is \$2.00. State will pay \$66.00/day resulting in a weekly payment to the provider of \$330.00.
