Office of School Choice

2023-2024 Louisiana Scholarship Program Audits

The audit process for all schools participating in the Louisiana Scholarship Program (LSP) is underway. All schools should provide timely, informative materials and communications as necessary during the process. The audits are a statute requirement and each LSP school is required to participate.

2024-2025 Louisiana Scholarship Program Application

The application for 2024-2025 Louisiana Scholarship Program will open on December 11, 2023 and close on January 19, 2024.

All families (**including Orleans**) who need to submit applications for the 2024-2025 school year must apply using the LDOE website. Parents will be able to access the [application](#) on December 11th on our [website](#).

- New applicants, students who wish to transfer to another participating scholarship school for the upcoming year, and **those in a terminal grade** will need to submit an application for the 2024-2025 school year.
- We will be hosting two upcoming webinars to discuss the application process for the upcoming year.
 - A **School LSP Application for 2024-2025 Webinar** will be held on [December 4th at 2pm](#). This webinar will provide guidance on the application process for participating schools.
 - A **Parent LSP Application for 2024-2025 Webinar** will be held on [December 5th at 2pm](#). This webinar will provide guidance on the application process for both new and continuing students.

For the latest information on the application process, please visit our [website](#) for more information or contact our office at studentscholarships@la.gov.

Interest and Opportunity Survey

The Interest and Opportunity Survey will be going out to all nonpublic schools in the Spring of 2024. All scholarship schools are expected to participate and complete the survey in a timely manner. Please be on the lookout for upcoming webinars from the Assessment Team and the Nonpublic Team regarding the Interest and Opportunity Survey.

Monthly Webinar Call

Our next Nonpublic Schools Monthly Call will be held on Wednesday, [November 15 at 2 p.m.](#) Previous presentations of each monthly call are currently available in the [School Systems Planning Library](#).

General Nonpublic School Office Hours

The Office of School Choice-Nonpublic Programs Team currently offers a service called [Office Hours](#). We are offering office hours to provide one-on-one assistance regarding any questions you may have regarding our scholarship programs.

Office hours will be offered each week for **school administrators and other school system employees**. Office hours will be held Tuesdays and Thursdays from 10:30 a.m. to 11:30 a.m.

You can book your Office Hours call using this [link](https://www.picktime.com/LDENonpublicschools): <https://www.picktime.com/LDENonpublicschools>

In order to make sure that every school gets an opportunity to schedule a call, each call will be limited to 15 minutes. When booking your call, you must include a description of what you'd like to discuss during the call in the "booking notes" section of the form. This will ensure that our staff is prepared ahead of the call and can effectively use the time to address your concerns.

If you miss your scheduled time, you will need to book a new appointment time. If you have any questions about Office Hours, please reach out to us at studentscholarships@la.gov for assistance.

This service is not available to families. Families with questions should submit them to studentscholarships@la.gov.

Assessment, Accountability, and Analytics

Gifted Evaluation Report

Please share with special education directors and testing coordinators.

Per state law, school systems must report the number of students who were referred for gifted evaluation as a result of their literacy screening score. Each school system must complete and submit the [K-3 Literacy Screener form](#) by **November 17**. The data captured will include the following for grades K-3:

- Number of students who have a gifted classification
- Number of students who do not have a gifted classification and have been referred for additional gifted screening
- Number of students who do not have a gifted classification and have been referred for gifted evaluation

Please contact assessment@la.gov with questions.

ACT Grade 12 Best Score Results

Please share with school leaders and test coordinators.

ACT Grade 12 Best Score Results summary files will be posted to the FTP no later than **November 3**. Please note that there may be some differences in what is reported by ACT with their release of the *ACT 2023 Graduating Class Report* due to methodology differences. The [ACT Profile Report](#) is solely the property of ACT.

Please contact assessment@la.gov with questions.

School System Financial Services

FY 2022-2023 Fiscal Risk Assessment

Please forward to business managers and financial officials.

The FY 2022-2023 Fiscal Risk Assessment has been prepared for each school system. Data based on FY 2021-2022 information is included in the assessment, which is available on each school system's "edfin" FTP site. These results will be presented to BESE during the December meeting.

Please review the report and email any comments or questions to schoolfinancehelpdesk@la.gov no later than **November 6**.

Teaching and Learning

Academic Content

Instructional Support: Instructional Materials Reviews

Please share with content supervisors, literacy coaches, and school leaders.

The LDOE conducts reviews of instructional materials to support school systems in adopting curricula in all core subjects. Newly rated Tier 1 materials are listed below. All tiered reviews can be found on the [annotated reviews](#) web page. The status of all instructional materials submissions can be found in the [weekly report](#).

- Houghton Mifflin Harcourt - HMH Into Math, Grades 6-8 (©2020)

Please contact louisianacurriculumreview@la.gov with questions.

High School Science Resources for Learning Recovery

Please share with school and system leaders and science curriculum supervisors.

The LDOE is supplying resources aimed at supporting learning loss recovery in high school biology, chemistry, and physics to all public high schools. To support the implementation of these materials, teachers of any of the three courses will have access to regional, in-person training at no cost to systems. The deadline to complete the [Science Learning Recovery Interest form](#) to receive future communication regarding materials delivery and professional learning registration has been extended to **November 17**.

Please contact STEM@la.gov with questions.

Computer Science Week Resources

Please share with school and school system leaders.

Computer Science Education Week ([CSEd Week](#)) is December 4-10. CSEd Week is a great opportunity for students in grades K-12 to experience computer science while learning the basics of coding. Students may experience CSEd week in classrooms and with community partners. Career opportunities in the

computing industry will be highlighted. On November 6, the LDOE will release a list of free computer science resources for schools and systems that wish to participate. Resources will be available on the [STEM web page](#).

Please contact STEM@la.gov with questions.

Bayou Bridges: A K-8 Louisiana Social Studies Curriculum Updates

Please share with content supervisors, school leaders, and social studies teachers..

All grade 5 Bayou Bridges units are now available. Please visit the [Bayou Bridges Resource page](#) to access. Units are aligned to meet the [2022 Louisiana Student Standards for Social Studies](#). All grade 3 units will be published by December 8.

Please contact classroomsupporttoolbox@la.gov with questions.

Diverse Learners

2023-2024 Dyslexia Reporting

Please share with special education leaders.

Act 419 (2021) requires school systems to annually report the number of students with dyslexia currently enrolled in their systems or the number of students newly identified with dyslexia in the prior school year. Act 622 (2022) updated the reporting deadline requirement from October 31 to December 15 annually. All school systems should submit the [Dyslexia Reporting form](#) by 5 p.m. **December 15**. [Guidance](#) on dyslexia reporting is available in the [Students with Disabilities](#) library.

Please contact specialeducation@la.gov with questions.

April Dunn Act Training

Please share with special education leaders and teachers.

The LDOE will continue its series of virtual trainings on the effective implementation of the April Dunn Act. Training on Section Three of the April Dunn Act Self-Assessment Guide will be held at 4:30 p.m. on the dates listed below. Webinar dates will only cover Section Three of the Self-Assessment Guide. Participants are welcome to attend multiple sessions.

- **Webinar Dates:**
- November 7 and November 9
- December 4 and December 6
- December 11 and December 13

- **Meeting ID#:** 940 4633 4008

Please contact ashley.augustine@la.gov with questions.

Educator Development

New Teacher Experience Funding Available

Please share with school and system leaders.

The LDOE has limited funding available to support teachers in The New Teacher Experience. This funding is specifically for travel costs for teachers to attend in-person professional learning labs, substitute fees, and/or completion stipends for teachers.

The deadline to complete and submit the [Application for New Teacher Experience Funding](#) is **November 14**; enrollment is on a first-come, first-served basis. Systems must have teachers enrolled in The New Teacher Experience to be eligible for funding.

Please contact laurie.carlton@la.gov with questions.
