APPROVED FOR DEFENDANT:

BEFORE ME, the undersigned Notary Public, personally came and appeared

PATRICIA A. MANUEL,

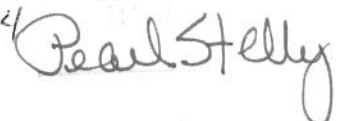

who after being duly sworn did depose and state that she understands that she has a right to a public trial in this matter; that she has the right to retain counsel and be represented by counsel should she wish to go to trial; that she understands that she may, consistent with the law and this order, care for up to six children other than her own children or grandchildren, not counted in determining the number of children in care, without a license; that if she obtains a child day care license she may care for as many children as the child care regulations determine she has space for; that a child is considered "related" and therefore not counted in determining the number of children present only if that child is her biological or adopted child or grandchild; and that if more than six children are present she must be able to demonstrate, by means of birth certificates of each grandchild and of the grandchild's parent through whom the relationship exists; and that she understands and agrees to the terms of this agreement both knowingly and freely.

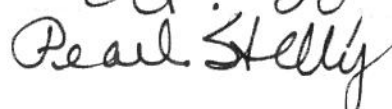

PATRICIA A. MANUEL
