

TUITION DONATION CREDIT PROGRAM

2018-2019 ANNUAL REPORT ON THE TUITION DONATION CREDIT PROGRAM

FROM THE LOUISIANA DEPARTMENT OF EDUCATION

INTRODUCTION

The Tuition Donation Credit Program provides nonrefundable income tax credits to Louisiana taxpayers who donate to tax-exempt, not-for-profit organizations, called School Tuition Organizations, that provide scholarships to students in low-income families. The Tuition Donation Credit Program was created by the Louisiana Legislature in 2012 and launched statewide during the 2013-14 school year. The program is governed by BESE Bulletin 134.

To be eligible to receive a Tuition Donation Credit Program award, students must have a household income that does not exceed 250% of federal poverty guidelines and either be entering kindergarten for the first time, have attended a Louisiana public school during the previous school year, or have received a Louisiana Scholarship Program award in the previous year. School Tuition Organizations determine the amount of student scholarships, with award amounts not exceeding the lesser of either the school's tuition and mandatory fees or \$4,205 for grades K-8 and \$4,731 for grades 9-12.

During the 2018-2019 school year, approximately 2,032 students enrolled in a nonpublic school through the Tuition Donation Credit Program. In order to accept Tuition Donation Credit students, schools must be both considered an approved nonpublic school by the State Board of Elementary and Secondary Education and certified as compliant with non-discriminatory policies and practices as required by *Brumfield v. Dodd*.

All Tuition Donation Credit Program students are required to take annual state tests in math and English language arts with those results reported publicly as law and policy require.

Louisiana Revised Statute 47:6301 and Bulletin 134 require that the Department annually report the following information related to the Tuition Donation Program:

- Names of all qualified schools serving students with TDC awards;
- Number of award recipients attending each qualified school; and
- State test results for award recipients in each grade published in accordance with federal and state privacy laws.

TUITION DONATION CREDIT PROGRAM ENROLLMENT AND PERFORMANCE DATA

Tuition Donation Credit Program student performance rates are outlined in the table below. Student performance (Basic and Above) equals the overall percent of students that earned an achievement level of “Advanced,” “Mastery,” or “Basic” on LEAP 2025 assessments and/or “Good” or “Excellent” on end-of-course assessments. Student performance (Mastery and Above) equals the overall percent of students that earned an achievement level of “Advanced” or “Mastery” on LEAP 2025 assessments and/or “Good” or “Excellent” on end-of-course assessments. State assessment results of Mastery and Above are considered proficient.

The Louisiana Department of Education has modified and/or suppressed data reported to protect the privacy of students in compliance with the Family Educational Rights and Privacy Act (FERPA) codified at 20 U.S.C. 1232g. The strategies used to protect privacy vary and may include rounding or other techniques but do not substantially affect the general usefulness of the data. Because of the privacy protections numerical and percentage totals may not add precisely to the sum of the row or column to which the total refers. The ~ symbol indicates statistically unreliable data (subgroups of fewer than 10 students).
