*The E5 Project: Engage, Educate and Empower Every Student, Every Day*

**Striving Readers Comprehensive Literacy Program  
2013-2014 Application**

**a. Need for the Project**

- *Applicant provides compelling description of literacy achievement results to demonstrate need for the project.*

East Houma Elementary (EH) PreK-2, Village East Middle (VE) 3-6, Oaklawn Junior High (OJH) 7-8, and Ellender Memorial High School (EM) 9-12, along with the LA Early Steps Program, Holy Rosary Head Start and Senator Circle Head Start serve the largest population of **disadvantaged youth** in this district. This is evidenced by:

- 90% of the students in this cluster qualify for free/reduced lunch (TPSD average is 65%)
- 27% of the cluster population is identified as special education
- 4% of students at OJH and EM have been incarcerated and teen pregnancy is a challenge.

Furthermore, over a three-year period *literacy achievement* has been declining and inconsistent. Three of the four cluster schools have been labeled by the state's accountability system as 'D' schools. Only 49% of students enter K at EH with basic literacy skills ready to learn. Just 55% percent of students entering 4<sup>th</sup> grade at VE are on-level in ELA. Fifty-one percent of students enter 9th grade (EM) one or more years behind their peers. At EM, only 24% of students enroll in post-secondary coursework. Significant growth is needed to prepare students for rigorous Common Core State Standards (CCSS) and be college and/or career ready.

However, cluster schools have experienced some successes. Over the past five years, the School Performance Score (SPS) for each has increased (EH: 14%; VE: 13%; OJH: 14%; EM: 33%).

Over the past three years, 4<sup>th</sup> and 8<sup>th</sup> grade LEAP ELA proficiency scores have increased (15%, 20%). In 2011-2012, SWD at VE and OJH have shown gains in ELA (8.2%, 4.1%), and OJH met AYP for all subgroups. EM's graduation cohort grew an average of 10% from 2010-2012. Successes are attributed to the district focus on data-based decision making to drive instruction, Professional Learning Communities (PLCs), and Response to Intervention (RTI).

Student data in appendix B, Tables 1-4 supports the critical needs in literacy achievement for cluster. The district will address these needs through the E5 Project: *Engage, Educate & Empower Every Student, Every Day*.

- *Proposed feeder schools show an adequate number of students moving from one feeder school/site to the next.*

A total of **2,183 students** enrolled in the cluster are directly impacted by the E5 project. Twenty three disadvantaged children aged 0-3 are enrolled in the LA Early Steps program. Of the 76 Pre-K students at EH, 44 come from Holy Rosary and Senator Circle Head Start. Of the 71 3<sup>rd</sup> graders at VE, 61 come from EH. Of the 198 7<sup>th</sup> graders at OJH, 66 come from VE. Of the 275 9<sup>th</sup> graders at EM, 136 come from OJH.

- *Applicant describes a plan to expand the project to serve more disadvantaged youth in subsequent years.*

Three clusters of schools feed into EM, and 6 of the 7 schools have been labeled ‘D’ schools. This project is servicing the most disadvantaged cluster (Head Start-EH-VE-OJH-EM). Two additional disadvantaged clusters feed into EM (Appendix B, Table 2A/2B), and will be required to participate in the E5 Project along with the remaining two district ‘D’ schools with support from district resources. These schools will be required to attend all district PD, monthly collaborative meetings, and related activities included in the E5 Project.

#### **b. Project Goals**

- *A gap analysis, describing reasons for gaps*
- *Discussion on the most common data trends*
- *Alignment between need/gap and project design to reach goals*

Data Based Decision Making Teams (DBDMT) conducted *a gap analysis* on the cluster schools using a variety of formative and summative data that included state assessments, district walkthroughs, formal and informal observations (COMPASS), Louisiana Literacy Capacity Survey and a Professional Development Needs Assessment survey.

Over the past three years, an average of 49% of K students *enter* school ready to learn. DIBELS EOY scores show inconsistent growth between 2010 – 2012 (*table A*) in grades K (0%), 1<sup>st</sup> (-14%), 2<sup>nd</sup> (27%), and 3<sup>rd</sup> (-2%).

From 2010-2012, 3<sup>rd</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade *i*LEAP ELA proficiency scores (*table B*) have declining growth (-3%, -1%, -3%). Fourth grade LEAP scores improved over this same period (15%).

<b><i>Ellender data information (see tables D and G)</i></b>
English EOC II proficiency went up 5% but did not keep up with the district’s growth (7%) or state’s growth (13%). ( <i>table D</i> )
There were no gains on the ACT English subscores and EM lags behind the district and state scores. ( <i>table D</i> )
First Time Freshman (FTF) Report indicates over a two- year period, 17% fewer freshmen enrolled in post-secondary programs after graduation from EM. ( <i>table G</i> )
Thirteen students participated in EM’s first year offering of AP English IV. Two years ago, there were no AP courses offered; today there are four AP courses offered and six are planned for next year.
The state’s current Graduation Rate goal is 80%; EM’s current rate is 69%. EM has had a 17% growth in graduation rate over the past five years. ( <i>table G</i> )

The E5 Project is *aligned* to the four Focus Areas and will address the needs/gaps through the following: providing high quality PLCs, job-embedded PD, DBDMT to ensure effective implementation of the CCSS, and providing customized instruction for all learners.

E5 Project goals (*table G*) are aligned with TPSD District Performance Goals, needs and gaps.

These goals are measurable, time bound (by end of SRCL E5 Project), and ambitious.

**c. Project Design**

To accomplish the goals, this project is aligned to the four Focus Areas. The E5 Project will build on the system of *School and Teacher Collaboration* to implement ELA CCSS and rigorous

assessments (*Assessment and Curriculum*) through high quality PLCs (using best practices) and built-in job-embedded PD. This ensures teachers understand and apply elements of literacy instruction and intentional use of instructional materials that are aligned to the CCSS so that every student knows how to use reading, writing, listening, presenting and critical thinking skills from Birth to grade 12. In addition, teachers will implement interventions to ensure that all students, including those who are struggling and those who are progressing ahead of their peers, are identified and that instruction is customized. Literacy DBDMT literacy teams (*table H*) will be established at the teacher level→ school level→ district level within an RTI framework.

**Table H – Data Based Decision Making Team Process (DBDMT)**

**Data Based Decision Making Team (DBDMT) Process**

1 - School Leader and Teacher Learning Targets  
 2 - Assessment and Curriculum  
 3 - School and Teacher Collaboration  
 4 - COMPASS Observation and Feedback

- *An assessment of the current strengths and weaknesses of the applicant relative to the proposed system(s).*

**Current strengths:** TPSD offers free universal district-wide Pre-K. LA Teacher Leaders have been identified at each site and will be embedded in all collaborations. Cluster schools have identified assessments, including CCSS benchmarks, that will be used for teachers/leaders' SLTs and student goals to drive instruction. For the past two years, an Integration Grant enabled EM ELA, social studies and science teachers (11) to participate in Literacy Design Collaborative (LDC), which will be expanded in the E5 project. TPSD is participating in a consortium to collectively unpack ELA CCSS, align common assessments and develop lesson plans. During 2011-2013, TPSD took steps to get ahead by focusing on *School and Teacher Collaborations* (shared PD with Head Start during Summer Literacy Institute & NSU) and *Curriculum and Assessment* needs (implemented TELD-3, piloted mClass/Burst gr.2-3).

**Current weaknesses:** Parent-home connections Birth to 5 need expansion. Teachers in all contents need ongoing support and PD in effective literacy instruction aligned with ELA CCSS. To meet the needs of all students, especially diverse learners, teachers must be trained in the use of differentiated practices, student engagement and the principles of UDL. Limited *collaborative* planning time for content-specific teachers prevents them from having the opportunity to work and learn together to develop lesson plans/assessments, analyze student data and reflect upon the quality of student work. Lack of a cohesive *assessment* system and inconsistent cross-collaboration time between cluster schools prevents teachers from analyzing/discussing gaps.

- *The framework the applicant intends to build relative to the proposed system(s).*

**Relative to the proposed systems,** the *Engage, Educate & Empower Every Student, Every Day* (E5) Project will be implemented in two phases. **Phase I**, June 18 – September 30, 2013, focuses on *School and Teacher Collaboration* by recruiting and hiring effective key literacy personnel, getting them in place and providing summer trainings for teachers on the Teacher Toolbox, ELA

CCSS shifts (close reading, evidence-based writing, text dependent questioning) and scaling out LDC (6-12). **Phase II** October 1, 2013 – April 30, 2017 *continues* collaborations and focuses on securing additional resources needed to integrate *Assessment and Curriculum* as follows:

<b>Design Framework – Table 1</b>	
<b>Activities</b>	<b>Focus Area</b>
<p>1) Hire Project Director (1) to provide support to cluster schools in all aspects of the E5 Project. Literacy Integration Specialists (4) will provide support at cluster schools in implementing ELA CCSS in all contents every day and coordinate the RTI process. Literacy Interventionists (7) will provide interventions to Tier II/III students; one will be shared between EH and VE to allow for a seamless transition to support 2<sup>nd</sup> and 3<sup>rd</sup> grade students. Data Specialist (1) will provide support to cluster schools and teachers in implementing the DBDMT process.</p>	School and Teacher Collaboration
<p>2) Principals, E5 Project Director, and Literacy Integration Specialists will plan Summer Literacy Institutes/ LDC Academy. Birth-5: Summer Literacy Institute; K-5: CCSS Literacy Institute and Teacher Toolbox; 6-12: LDC Academy.</p>	School and Teacher Collaboration
<p>3) Summer PD, PLCs and ongoing job-embedded PD will focus on the following with internal and external support: <u>Birth – 5</u>: Implement effective early literacy instruction using a standards-based curriculum (oral language development, Early Literacy/Language practices, print rich environment, high risk needs). Early childhood providers and Head Starts will participate in shared PD. The Terrebonne Parish Library will provide services (per MOU) to enhance early childhood. Additionally, Prime Time preschool family literacy program will be held at cluster school to enhance literacy acquisition. <u>K – 5</u>: ELA CCSS instructional shifts and Teacher Toolbox training with ongoing training on differentiation, student engagement/motivation, and UDL. <u>6 – 12</u>: LDC Academy - 53 ELA, social studies and science teachers at VE/OJH/EM will be trained with support from district literacy staff (LDC TOTs) and Reach Associates; ongoing PD in LDC (teacher leaders, R-GroupSpace online collaboration, LDC TOTs); Teacher Toolbox and ELA CCSS instructional shifts with ongoing training on differentiation, student engagement/motivation, and UDL. Training for school teams on effective PLCs &amp; schedules for 2013-2104 have been adjusted to ensure teachers have weekly common collaborative planning for meaningful PLCs. Job-embedded PD for Birth-12 will be provided on PLCs, data analysis and DBDMT process.</p>	School and Teacher Collaboration
<p>4) <u>Instruction</u>: Teachers will <i>engage every student</i> through effective literacy instruction, <i>educate every student</i> using rigorous practices aligned to the ELA CCSS, <i>empower every student</i> to read, write, listen, present and think critically in all classes <i>every day</i>. Principals and teachers will develop SLTs using district approved assessments aligned to CCSS. Instruction is driven by SLTs and will be enhanced by summer and ongoing job-embedded PD. Literacy Integration Specialists and Principals will provide support to teachers based on specific feedback from informal/formal observations aligned with COMPASS. PLCs will provide support to teachers in using effective literacy strategies and in the intentional use of instructional materials. New materials to support the E5 goals include- <u>Birth-5</u>: classroom libraries that support oral language, literacy centers, and early literacy curriculum. <u>K-5</u>: classroom libraries aligned with CCSS units (nonfiction grade appropriate texts), literacy centers that support differentiation and student engagement, supplemental instructional materials to support implementation of CCSS. <u>6-12</u>: a variety of non-fiction informational texts (print and electronic) that support CCSS and LDC process, Module Creator for LDC expansion, and literacy supports for struggling readers. Technology acquisitions will facilitate student engagement and customized instruction for all students (<i>easy accessibility</i>).</p>	School and Teacher Collaboration/ Assessment and Curriculum
<p>5) <u>RTI</u>: <i>Conduct universal screenings</i>: TELD-3 (Birth to 5)→DIBELS (K-3)→iSTEOP (4-12). Other assessments- <u>Birth-5</u>: Brigance pre/post (Head Start). Pre-K DSC pre/post (EH). <u>K-3</u>: STAR Early Literacy/STAR Reading (EH, VE); <u>4-12</u> STAR Reading/SRI (VE, OJH, EM). <i>Provide interventions- Birth to 5</i>: Developmental interventionists include speech therapists, preschool early interventionists, and classroom teachers to provide intervention in the classroom. <u>K-8</u>: Tier II/III students provided 30 minutes 5x/wk depending on intervention protocol to address individual needs. <u>9-12</u>: Tier II/III students provided 30/90 mins. daily in additional interventions to address individual needs.</p>	Assessment and Curriculum

Terrebonne Parish School District – E5 Project

<p><i>Restructured and expanded assessment and intervention materials in K-12 include adding SRI to place students in interventions based on needs using Read 180 and System 44. Expand mClass/Burst (K-3) and add Failure Free Reading (6-12). Implement “Success is Required” pilot program for ELA, grades 3-12. If student fails ELA test, student is retaught by teacher/interventionist and retested.</i></p>	
<p>6) <b>Implement DBDMT Process:</b> A cohesive assessment system will be used.  a) Teacher level: Weekly PLCs, analyze data including but not limited to teacher/ district CFAs, TELD-3, DIBELS, iSTEEP, SRI to customize instruction/inform practice.  b) School level: Monthly analyze data including but not limited to grades, district-created CFAs, TELD-3, DIBELS, iSTEEP, SRI and state assessments to identify PD needs, teacher supports and evaluate effectiveness of instruction (COMPASS).  c) District level: Quarterly analyze cluster data including but not limited to district created CFAs, TELD-3, DIBELS, iSTEEP, SRI and state assessments to identify PD needs, cluster supports and evaluate effectiveness of instruction (COMPASS).</p>	<p>School and Teacher Collaboration/ Assessment and Curriculum</p>
<p>7) E5 Project collaborations:  a) Monthly cluster collaborations rotating to each site to highlight literacy initiatives with Project Director, Data Specialist, Principals, Integration Specialists to share data, program implementation, E5 Project progress. b) Conduct quarterly collaborations with partnerships. c) Principals are responsible for quarterly stakeholder collaborations. d) E5 Project Director will collaborate monthly on site with each school DBDM team. e) Literacy Interventionists meet weekly with Literacy Specialists.</p>	<p>School and Teacher Collaborations</p>
<p>8) The following partnerships have been established to improve the early literacy development of children and to provide professional development in literacy:  a) <b>Birth-5:</b> LA Early Steps, Holy Rosary and Senator Circle Head Starts and early childhood providers invited to attend all PD provided by Terrebonne Parish Public Library, Center for Development and Learning and Louisiana Endowment for the Humanities (Prime Time) to support early literacy learning. See MOUs for record of effectiveness in improving the early literacy development of children.  b) <b>K-12:</b> Nicholls State University (NSU) to offer dual enrollment and PD aligned to ELA CCSS. See MOU for record of effectiveness.  <i>Letters of Support:</i> L. E. Fletcher Technical Community College, Reach Associates (LDC), Terrebonne Foundation for Academic Excellence, Stewart Education &amp; Developmental Childcare and Friendswood Childcare Center.</p>	<p>School and Teacher Collaboration</p>

- ***How the district will leverage funds to achieve the implementation of the proposed system(s) given their current position.***

TPSD is committed to aligning local, state and federal funds to support the E5 Project. The items listed in the budget narrative (*section e, table K*) will be leveraged through integration of SRCL funds with district general funds and other sources: LA4, IDEA, Title I/II, HPSI, Integration Grant and Race to the Top. Braided funds support this project through payment of salaries and benefits for the Project Director, Literacy Integration Specialists, Interventionists and Data Specialist, professional development, literacy materials and computer software/hardware, and technical support for computer labs/technology (*table K & budget*). In addition, TPSD funds four district literacy specialists who will assist with the project: Early Childhood Specialist funded through Title I/IDEA/ LA4; two literacy specialists (K-5, 6-12) through general fund, and an

Integration Project Coordinator (CCSS/LDC) through Integration Grant funds. Specific information about leveraging of funds in each phase of the E5 project is explained in section e.

**d. Project Management Plan**

- *Milestones that describe key interim points towards achieving the ultimate aim described in the grant*  
The management plan is designed to complete the E5 Project on time and within budget.

<b>Project Management Plan – Table J</b>		
<b>E5 Actions/Milestones</b>	<b>Timeline</b>	<b>Owner Responsible</b>
<b>Phase I begins:</b> Finalize budget and hire key literacy leaders, complete purchase orders for materials	June 2013- July 2013	Project Director, Asst. Superintendent, Accountant,

- *Owners responsible for completion of key tasks*

The E5 Project Director Ann Picou and Assistant Superintendent Carol Davis will be responsible for coordinating the E5 Project. Mrs. Picou’s role includes planning, program delivery, implementation, and management of district staff. The Project Director, with support from the Assistant Superintendent, district literacy staff and supervisors will ensure that all action steps take place within the timelines (*table J*) and within budget (*table K*). The Data Specialist and Project Director will collaborate monthly with principals and school data teams to review data and discuss program implementations. The Assistant Superintendent will oversee the project by attending all district/state SRCL grant meetings, attend all PD, review monthly financial reports and monitor ongoing progress toward meeting project goals.

Key LEA personnel will meet with cluster school leaders twice a year to make decisions on leveraging funds to *sustain and scale* the project. The district is committed to funding its required percentage of salaries and gradually accepting greater financial responsibility over time. District staff, principals and Literacy Integration Specialists will build capacity among faculty members to ensure continued implementation of strategies as grant funds decrease. The E5 Project is a capacity-building professional development project. TPSD will take advantage of the many school, leader and teacher collaborations throughout the district to share strategies and redeliver training.

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions**

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.110.

**Instructions for Certification**

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

---

**Certification**

- (1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

**Note:** Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management, and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States, and if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. · 4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. · 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. · 794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. · 6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) · 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. · 290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. · 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with the provisions of the Hatch Act (5 U.S.C. · 1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

## ***PARTNERSHIP AGREEMENT***

The Terrebonne Parish Public Library has a demonstrated record of effectiveness in improving the early literacy development of children and in providing professional development in literacy. The 2010 Ten-Year Impact Study (conducted in collaboration with West Baton Rouge Parish Schools and the Library) found that PRIME TIME participating students outperformed the control group in reading as measured with grade 3 iLEAP. 85% of families surveyed reported a change in their attitudes towards and frequency of library usage as a result of participating in the program. The library provides weekly story time for pre-school, school-aged children and families. These story times promote reading aloud, singing and games and expose young children to books and reading. Additionally the Library System's website has databases called Tumble Books, Tumble Talking Books, and Tumble Readers which help improve vocabulary, reading comprehension and reading speed. These databases include books that are part of the accelerated readers system, used in grades 3-8 in TPSD. Students take AR tests which are a required part of the curriculum.

### **The Terrebonne Parish Library personnel will:**

- Build upon community efforts by encouraging a partnership between the Terrebonne Parish Library System and the school community throughout the grant period and beyond.
- Participate in district training on Louisiana's Comprehensive Literacy Plan when available
- Serve on the District Literacy Team to align family literacy programs, analyze data from literacy activities, and review data from parent literacy surveys in order to plan future literacy activities.
- Disseminate information about available literacy programs for families through newsletters, websites and local media
- Provide professional development to schools and parents at feeder cluster sites on Tumble Books, e-readers, and the library e-reader download system.
- Assist with the coordination with Head Start and East Houma Elementary to implement the Family Literacy Programs.
- Conduct the Reading Well Program at Head Start, East Houma Elementary, and other child care providers that feed into East Houma Elementary.
- Coordinate and conduct birth to five story hour for parents, caregivers, child care providers, and students.
- Attend cluster school open houses and literacy nights to distribute early literacy materials to families, and conduct library card sign ups.
- Provide a summer reading program for students Pre-K to 12 and story time for infants and parents and toddlers and parents.

### **Terrebonne Parish School District will:**

- Designate a point of contact for immediate access by library personnel to ensure alignment of grant efforts.
- Develop a collaborative working relationship with program partners in the analysis and interpretation of data.

## ***PARTNERSHIP AGREEMENT***

The Center for Development and Learning (CDL) has a demonstrated record of effectiveness in improving the early literacy development of children and in providing professional development in literacy as evidenced by the following:

The Picard Center completed the Beginning with Babies (BwB) pilot in September 2011 with the Department of Children and Family Services in which 360 participants from 90 Louisiana childcare centers received professional development, including technical assistance and *Right from Birth* that was facilitated by CDL professionals. Initial results of BwB pilot indicate a 50% to 60% growth of participants who received customized technical assistance and professional development. A pre- and post- *Four Diamond Infant/Toddler Observation Checklist* was completed for each participant to track growth.

### **The Center for Development and Learning will provide professional learning that:**

- addresses areas that are identified by careful analysis of student and educator needs as relevant to collaborative and individual professional growth goals. Together, school and district educators and CDL professionals will examine student and educator data to determine PL needs and design plans of action, including but not limited to effective literacy instruction and best practices, oral language, standards based curriculum, literacy/language, differentiated practices, community/parent collaborations, autism and other high risk needs, and collaborations.
- will be designed to meet the specific needs of educators at each site, school/childcare facility. Varied formats, including interactive whole and small group knowledge-building sessions, collaborative data study and lesson planning, observations with constructive feedback, coaching and modeling, e-mentoring, teleconferencing and webinars will be utilized.
- show clear alignment to (1) Louisiana Department of Education's four key focus areas of: School Leader and Teacher Learning Targets, Assessment and Curriculum, School and Teacher Collaboration, and Observation and Feedback; and (2) the Common Core State Standards.
- will facilitate sustained, intensive and differentiated professional learning that (a) is aligned with teacher and school leader learning targets; (b) is connected to practice; (c) uses varied resources, methods and media; (d) focuses on teaching and learning of specific skills; and (e) builds strong working relationships among teachers, school and district leaders to solve student learning issues.

### **Terrebonne Parish School District will:**

- designate a point of contact for immediate access of and to ensure alignment of project efforts.
- develop a collaborative working relationship with program partners in the analysis and interpretation of data, and conduct ongoing evaluation.
- assume fiscal management responsibilities and provide funds to support the initiatives.
- build upon community efforts by encouraging a partnership between programs throughout the grant period and beyond.
- provide additional elements mutually agreed upon by the parties to this memorandum.

## **PRIME TIME PRESCHOOL LITERACY PROGRAM- Program Description**

*PRIME TIME Preschool* Literacy Program, a family preschool literacy program, will be offered at East Houma Elementary School once weekly for 6 weeks for community families and their preschoolers ages 3-5. During each 90-minute session a trained storyteller will model reading aloud techniques by presenting carefully selected children's books. A trained humanities scholar will guide participants in a discussion of the literature. By modeling effective, open-ended questioning techniques with the families (the Socratic Method), the scholar promotes critical thinking, reasoning, and questioning skills. *PRIME TIME Preschool* introduces young children and their families to the humanities and to literature through age-appropriate storytelling and literary exploration via center-based play. The mission of *PRIME TIME Preschool* is to bond economically and educationally vulnerable families around the act of reading, thus creating the precondition for all future learning. The aim is to create communities in which children and their families are developed into self-directed and self-motivated learners who are eager to absorb the world around them through literature, questioning/inquiry, and meaningful interaction with others.

### **Demonstrated Record of Effectiveness**

The Louisiana Endowment for the Humanities has a demonstrated record of effectiveness in improving the early literacy development of children and in providing professional development in literacy. The 2010 Ten-Year Impact Study (conducted in collaboration with West Baton Rouge Parish Schools and the Library) found that *PRIME TIME* participating students outperformed the control group in reading as measured with grade 3 iLEAP through the Graduate Exit Exam (GEE). TERREBONNE PARISH SCHOOL DISTRICT

*MEMORANDUM OF UNDERSTANDING (MOU)*

STRIVING READERS COMPREHENSIVE LITERACY PROGRAM

This Partnership Agreement is entered into by and between the **Terrebonne Parish School District and Nicholls State University (NSU)**.

The purpose of this agreement is to establish a framework of collaboration, as well as to articulate specific roles and responsibilities in support of the Terrebonne Parish School District in its implementation of an approved Striving Readers Comprehensive Literacy Project and Literacy Common Core State Standards. Successful implementation of this project is a shared responsibility and Nicholls State University is committed to supporting Terrebonne Parish Schools and their effort to advance literacy for all learners' birth to age 12, especially those students who are the most disadvantaged. NSU is pleased to serve as a collaborative partner with the Terrebonne Parish School District as it participates in the Striving Readers Comprehensive Literacy Program. NSU is dedicated to supporting efforts that raise student achievement, promote comprehensive literacy through the use of evidence-based practices, and produce graduates that are college and career ready. NSU has a demonstrated record of effectiveness. Nationally normed ETS Academic Profile (AP) scores place NSU Senior Students' average totals at 445 as compared to the National Group score of 449. Leadership must reach into the community to involve all partners who work with and serve teachers, leaders, students and their families. Collaborations among partners is a critical first step to ensure all children, including English language learners and those with exceptionalities have access to high-quality literacy instruction.

**COMMITMENTS/RESPONSIBILITIES:**

**The Terrebonne Parish School District will:**

- Designate a point of contact to collaborate, promote, facilitate and coordinate professional development activities/courses related to effective research-based instructional strategies and **Literacy Common Core State Standards**, including but not limited to, early literacy/language development, elementary and adolescent literacy
- Collaborate on, promote and provide dual-enrollment opportunities for students
- Invite NSU Instructors to attend shared professional development activities on Literacy Design Collaborative, and other literacy initiatives associated with this project
- Develop a collaborative working relationship between the Terrebonne Parish School District and Nicholls State University in regards to activities/courses/professional development that align and support aspiring and veteran teachers/leaders in the implementation of Compass, and the link to Common Core State Standards

**Nicholls State University will:**

- Designate a point of contact to promote, facilitate and coordinate professional development activities/courses related to the implementation of **Literacy Common Core State Standards**, including but not limited to, early literacy/language development, elementary and adolescent literacy
- Collaborate on, promote and provide **dual-enrollment opportunities** for students
- Provide online and face-to-face literacy/early intervention endorsements/certifications and workshops to promote literacy professional development for teachers and Literacy Coaches/Specialists and School Leaders
- Provide online and face-to-face School Leader certifications to promote and support strong school leadership skills
- Collaborate on federal partnership grants focused on **Common Core State Standards**, including but not limited to, **Literacy Design Collaborative**
- Support teacher teams as they unpack Common Core State Standards and develop units of study, formative assessments and lesson plans, by providing resources and consultation support

**ACKNOWLEDGEMENTS:**

We, the undersigned, understand that if selected as a participant in the Striving Readers Comprehensive Program, we will be expected to uphold the above expectations.

Re: Letter of Support

Dear Mr. Martin:

L.E. Fletcher Technical Community College is pleased to support Terrebonne Parish School Districts' application for a Striving Readers Comprehensive Literacy Project.

We have partnered with Terrebonne Parish Schools since 2005 to offer a Dual Enrollment Program for high school juniors and seniors. The collaborations between Fletcher and the Terrebonne Parish School District have enjoyed great success. More and more students are choosing to participate in the program each year. We will continue to collaborate, promote and expand the dual enrollment program and career awareness activities and mentoring programs, especially for Ellender Memorial as they participate in this Striving Readers Literacy Project.

We not only encourage participation in the initiative, but we have a vested interest in providing programs to ensure literacy skills for all students to compete in today's workforce. L.E. Fletcher Technical Community College wholeheartedly supports the "Striving Readers Literacy Project" and will continue to support the Terrebonne Parish School District in improving literacy across the district, state, and nation.

Respectfully,

  
F. Travis Lavigne, Jr.  
Chancellor

Dear Superintendent Martin:

The Terrebonne Foundation for Academic Excellence (TFAE) is pleased to support the Terrebonne Parish School District (TPSD) in pursuit of the 2013 Striving Reader's Comprehensive Literacy Program. As a local education foundation TFAE's purpose is to positively affect academic achievement and to fundamentally improve education for all students in the Terrebonne Parish Public School System.

Since inception TFAE has awarded \$898,661 in grant dollars across every academic discipline to teachers in the TPSD, while impacting the education of 44,500 students over the past twelve years. In August 2012, TFAE introduced Dolly Parton's Imagination Library reading program in Terrebonne Parish. To date over 2,000 children, birth through their fifth birthday have been registered in the program.

We encourage full consideration of this literacy initiative by the TPSD and their participation at the level of involvement that best drives reform efforts and student success objectives. TFAE urges educators, parents, businesses and other members of the community to support this initiative which is directed at providing a world class education for all TPSD students.

Sincerely,

Yolanda V. Trahan  
Executive Director

Dear Ms. Davis:

Reach Associates wholeheartedly supports Terrebonne Parish School District's application and pending implementation of Louisiana's Striving Readers Comprehensive Literacy program. As community stakeholders, we recognize the importance of implementing a comprehensive, cohesive literacy plan to ensure that all TPSD children from birth through 12th grade receive high yield, evidence-based literacy instruction that advances student achievement and produces graduates that are work-force or college-bound prepared.

The Terrebonne Parish literacy initiative aligns with Reach Associates and the Literacy Design Collaborative (LDC) model's mission and goals. With our conviction that all children, regardless of how they look, where they come from, or how they learn, can and will achieve school success when provided with highly effective teachers and positive, supportive learning environments. We will support the implementation of evidence-based literacy instruction in the TPSD schools by staying informed of the initiative's progress and by engaging in community conversation and assessment. Teachers trained in the LDC model will have access to district level teacher trainers for support and the remote coaching provided by Reach Associates through R-Group Space (an online professional learning community involving fourteen states throughout the United States).

We understand that the success of literacy instruction is dependent upon the preparation and ongoing support of highly effective teachers and teacher leaders. Therefore, as an invited contracted provider of professional learning in the LDC model, we will be honored to actively support the successful implementation of Terrebonne Parish's literacy initiative.

Best regards,
