

## Bayou Bridges Materials Access Guide

To implement each Bayou Bridges unit, teachers need

- a teacher guide,
- a student reader per student,
- access to instructional slide decks, and
- a copy of each student activity page and assessment per student.

Materials	Description	Access
Teacher Guides	<p>Each teacher guide contains</p> <ul style="list-style-type: none"> <li>• resources for teachers to build their own content knowledge,</li> <li>• lists of core vocabulary,</li> <li>• pacing guides and calendars,</li> <li>• detailed lesson plans with scaffolds that connect specific objectives to Louisiana state standards,</li> <li>• formative and summative assessments with scoring rubrics, and</li> <li>• student-facing worksheets/activity pages.</li> </ul> <p>The teacher guides can be accessed in two different ways:</p> <ol style="list-style-type: none"> <li>1. Bayou Bridges page: The teacher guide for each unit can be found in the section for each grade. Teachers should use this option to download and <a href="#">make copies</a> for a single classroom.</li> <li>2. Core Knowledge Portal: School systems and school leaders should use this option to purchase printed copies of the teacher guides for multiple classrooms.</li> </ol>	<p>Core Knowledge Portal for ordering print copies (beginning July 2023)</p> <ul style="list-style-type: none"> <li>• <a href="#">Grade 4</a></li> <li>• <a href="#">Grade 5</a></li> </ul> <p><a href="#">Bayou Bridges page</a> for download</p>

<p>Student Readers</p>	<p>All units require students to have access to a non-consumable student reader. The Bayou Bridges student readers offer engagingly written text, organized around framing questions along with color illustrations, photographs, maps, primary source documents, vocabulary sidebars, and a glossary.</p> <p>The student readers for each unit can be accessed in two different ways:</p> <ol style="list-style-type: none"> <li>1.
