

Due to shifts in text permissions, the ELA Guidebooks unit texts listed in the tables below will no longer be accessible in the XanEdu Unit Readers. The tables specify which lessons are impacted, and the revisions column explains the updates made to each impacted unit.

Unit Reader orders placed through the [XanEdu](#) portal for the 2023-2024 school year will reflect the revisions provided in the table below. Educators should refer to the [Louisiana Curriculum Hub](#) for the most up-to-date instructional materials.

Curriculum materials that were purchased from [XanEdu](#) during the 2022-2023 school year will not align to the revised ELA Guidebooks units listed in the table below.
