

2024-2025 Pre-Educator Pathway Development and Expansion Funding Guidance

The Louisiana Pre-Educator Pathway is the foundation of Louisiana’s strategy to develop educators from our communities for our communities. It centers on creating valuable experiences in K-12 systems that develop an aspiring educator’s interest, skill, and knowledge related to the teaching profession. Participation in and completion of the Louisiana Pre-Educator Pathway propels an aspiring educator through the educator pipeline and prepares them to work as a high-quality, 21st-century educator.

Limited funding is available for school systems that are interested in developing and expanding access to the [Louisiana Pre-Educator Pathway](#).

Systems may apply for either Pathway Development Funding or Pathway Expansion Funding, depending on whether they have previously received LDOE funding for Pre-Educator Pathway implementation. If funding requests exceed the amount of available funds, priority will be given to systems requesting Pathway Development Funding. To apply, systems should complete the [funding application](#) no later than **June 14, 2024**.
